Getting anywhere from I-House is easy, thanks to its exceptional location. You're just a short walk to the center of the University of Chicago campus, the Museum of Science and Industry, the spectacular lake front and its bike and jogging path, and a wintertime out door skating rink. Downtown Chicago is only 20 minutes away via the Metra train line, which stops one block from the I-House front door. International House's 500 rooms are open for residence year-round. Most of these rooms are single occupancy rooms that include a twin size bed, a desk with a lamp and two chairs, bookshelves, a dresser and closet. All rooms have a common bathroom on each floor. There are a limited number of double rooms, rooms with sinks and bath suites (two independent rooms that share a common bathroom). All rooms have telephone and cable TV access.
